

An Education Partnership

The College of Choice for California VFW Veterans

As a veteran friendly college, we seek to form education partnerships with veteran associations and veteran friendly employers to continue to advance educational opportunities to all veterans in appreciation of their service. Excelsior received recognition by *Military Times EDGE* magazine as a "Best for Vets" college, October 2011 and 2012.

Excelsior College is an accredited leader in distance education with a long standing tradition of serving the military and our veterans. Each year active duty servicemembers and veterans enroll and are awarded over 50,000 credits for their military training towards a degree.

At Excelsior, we offer many degrees from our Schools of Business and Technology, Liberal Arts, Health Sciences, and Nursing.
