

**CALVET CONDUCTING A SECOND
SURVEY OF WOMEN VETERANS IN CALIFORNIA**

CalVet, in partnership with the Commission on the Status of Women and the California Research Bureau, is conducting its second survey of women veterans in California. The survey has been available since October 2011 and is due to conclude at the end of this month. I'd like to make one final push for survey respondents, as this is one of the best measurements of California women veterans available. Thus far, the number of respondents is more than double that of the first survey! The survey takes approximately 20 minutes.
