

Run to The Cross

With the Veterans of Foreign Wars winning their case in the Supreme Court concerning the Mohave Cross in the deserts of California and Congress deeding the acre of ground that the cross sits on to the Veterans of Foreign Wars the Borderline Chapter of Arizona's VFW Riders Committee is proposing a Run To The Cross.

The proposed date to scout the route is March 31, April 1, 2012.

There is a proposal for an Arizona, California and Nevada joint Memorial Run October 8, 2012. This is the weekend of Columbus Day and is a 3 day holiday for Federal Workers. It is also important that we set the date early so that the Departments can plan around this date for the 2012-13 year

We are still working on details for the Memorial Run to the Cross and will have more to pass along as we get more information from our Neighbors. This should not be construed as being closed to any rider from any state that wants to be involved.
