More and more in the newspapers, on television, and on line we are hearing of the staggering figures in our California cities of the number of homeless Veterans! What can **WE**, as an organization do to take the appropriate steps toward alleviating this terrible condition you ask? It's as simple as reaching out and taking action **voluntarily!** Step up to the plate....You hear about it? Care enough to do something about it! Remember that there by the Grace of God...it could be YOU that is homeless with no knowledge of where to turn next.

Doing nothing is not acceptable.

What you can do at the Post level:

- Do your research on line at www.va.gov (Veterans Service) and www.vfw.org (Assistance) to educate yourselves on what the Department of Veterans Affairs and OUR organization offer for the relief of our homeless Veterans.
- Appoint your Post Chaplain and Post Service Officer to head this vital program. Make sure they discuss this program on your floor so that all Post Members are aware of the resources that are available.
- Do your homework! Broaden your horizons! Familiarize yourself with what referable services are available in your own communities. (I.E. Employment Development Department office, community shelters, church/community-run needy programs for food and clothing, Alcohol/Drug Anonymous meetings, soup kitchens, etc.)
- Make sure your Post Relief Fund has ample funds to be drawn on when a need arises.
- Have a Standing Rule in place for a specific dollar amount to be immediately drawn upon (between business meetings) or vote out to buy gift cards to local grocers and restaurants to have on hand and put them under the control of the Post Chaplain and Post Service Officer for this specific program.
- Have food and clothing drives on a continual basis in your Post Home then donate the items to the resources in your community for further distribution.

What you can do at the District level:

- Organize or participate in a Homeless Veterans Stand Down. Have services available such as employment, temporary housing, legal services, dental/medical services, food/water donations and preparation, showers/barbers/hair stylists, daycare, Alcohol/Drug Anonymous, etc.
- Couple up with allied veteran organizations/restaurants/food distributors to execute a plan for a Stand Down.
- Do your homework! Who knows who? What are they willing to bring to the table? Obtain as many donations as possible. If you don't ask, you won't get. Explain that all donations are tax deductible.
- Encourage involvement from all your Posts.

State Homeless Veterans resources can be found on the California Department of Veterans Affairs website <http://www.cdva.ca.gov/homeless/default.asp>
