RE: AB 1422 SUPPORT

Dear [Assemblymember or Senator _____]

I am a veteran [or spouse of a veteran] in [city]. I am writing to request your support of AB 1442 (Perea) which is intended to assist the California Department of Veterans Affairs to use existing budgeted funds for the necessary staffing to open the State Veterans Homes at Fresno and Redding.

These two facilities are an important part of the plans for providing services of the State Veterans Homes across the entire state for the aging and disabled veterans. These Veterans homes are very important because they offer a range of services and levels of care, from outpatient care to full time assisted living, based on the needs of the individual veteran. The current lack of funding for staffing of the homes will delay their opening probably until 2013.

Your leadership for this important legislation is sincerely appreciated.

Sincerely,

[name, Post/Auxillary number]
