SR. REUNION EDITOR:

Our United States Navy Ship's Reunion group is looking for a number of our crewmembers that we have not been able to locate over the years. We will hold our Annual Reunion in October of 2010 to commemorate the loss of our shipmates when an enemy torpedo struck the ship in 1944 off the coast of Japan, during World War II. As with many Military Reunion Groups, our shipmates, both Navy and Marine, span the period of World War II through the Vietnam War as well as the Cold War years. We would appreciate it if you would assist us by publishing our 2010 Reunion Notice.
