Overview

Every VFW Post has the opportunity to work in partnership with the Boy Scouts of America (BSA) when they sponsor/charter a scouting unit. Direct involvement in scouting is a chance to positively affect youth while developing positive youth/adult partnerships. Through Scouting, VFW Posts have the opportunity to expand their community outreach while developing a clear resource for veteran families and their children. Posts that sponsor Scout units have an excellent resource for membership recruitment and support of Post programs. Parents that are involved in scouting and working with youth have the skills and commitment for community service.

Post and District Chairman should refer to the National VFW Programs Guide “**It’s About Service**” Additional materials are available from VFW Emblem and Supply, or by visiting www.vfwdepartmentresources.org and www.vfw.org

Organizing a Scout Unit

To start a Scout unit contact your local Scout Council, or contact the Department Chairman.

Eagle Scout / Sea Scout Quartermaster Service Projects and Service to Veterans

One of the requirements for Eagle Scout and Sea Scout Quartermaster is the Service Project. This is a project the Scout must **plan, develop and give leadership** to. Its emphasis is on service to the community. Here is an excellent opportunity for our Posts and membership to become involved. Scouts who are planning their Service Projects are always looking for a good project to do. We can become involved by sponsoring their projects and at the same time helping our fellow veterans. Our Veterans Homes, Hospitals, Convalescent Homes and Clinics are excellent places for the Scouts to perform their projects. When you sponsor a project, help the Scout by letting him or her know who to contact and with ideas for his or her project. Contact the above mentioned facilities and make arrangements for the Scout to meet with them. It also helps if you let the facility know what your Scout and his or her project can do for them and how they can help. Post and Auxiliary members can also help out with the projects. But remember the Scout must plan, develop and direct the project. Posts that do not have a Scout Unit can contact a local Scout unit or Scout Council to let them know that you are willing to sponsor an Eagle Scout or Quartermaster Project. If assistance is needed, contact the Department Chairman. Report all of your Scouting related activities.

VFW Scholarship for Wood Badge and Sea Badge BSA Advanced Adult Leadership Training

Wood Badge and Sea Badge are the advanced adult leadership training courses provided by the Boy Scouts of America. VFW members who are actively involved in Scouting qualify for this program. National provides a full scholarship for both programs. Details are sent out annually by National to every Post. Anyone interested in attending Wood Badge or Sea Badge, or have any questions about the programs, please contact the Department Chairman.

Department of California Scouting Team

The Department of California Scouting Team is made up of VFW members who are actively involved in Scouting. Team members perform duties at the unit level as Charter Organization Representatives, Unit Committeemen, Unit Commissioners, Cubmasters, Scoutmasters, Venturing Advisors and Sea Scout Skippers, or their assistants. They may also work at the Scout District and Council levels. They may represent the VFW, as a sponsoring community organization, at meetings of the Council Relationship Committee. Team members assist VFW Posts with the VFW Scout of the Year program and may serve on the selection committee. Team members work to provide the maximum impact of VFW support to the Scouting program and to achieve the maximum visibility for VFW efforts. They assist in developing Scouting within the VFW and promote VFW programs in Scouting. All VFW Posts that sponsor or charter a Scout unit could have a member on the State Scouting Team.
