### Todd Appointed Administrator of Veterans Home of California – Fresno

Governor Schwarzenegger has appointed Jaime Todd, of Barstow, as administrator of the Veterans Home of California – Fresno. Todd has served as administrator of the Veterans Home of California – Barstow since 2008.

Previously, Todd worked as chief operating officer for California P.E.O. Homes since 2005, as a turnaround consultant dealing with long term care hospitals that were in regulatory difficulties from 2000 to 2005, as executive director for the Episcopal Home from 1998 to 2000 and administrator for LTC Hospitals from 1994 to 1998. From 1991 to 1994 he was director of social services for Beverly Enterprises.

“We are very pleased with Jaime’s appointment,” said Roger Brautigan, California Secretary of Veterans Affairs. “Jaime has done a great job of administrating the Veterans Home of California – Barstow, and we’re sure his experience and tenacity will be instrumental in bringing the future Veterans Home of California – Fresno onboard.”
