OUR MISSION IS TO:

1. Promote volunteerism, recreational activities and visitations for Veterans in VA and community facilities, to include nursing homes and activities in support of home-based care patients.
2. Provide a mechanism for recognizing outstanding performance and achievements by health care providers and volunteers.
3. Inform and disseminate program information at the Post, District, and Department levels.
4. Generate enthusiasm and participation in all Committee programs to include the VA - VFW Sponsored Golden Age Games, Operation Uplink and The Fisher House.
5. Ensure VFW Posts report their hospital activities to the Department Chairman so such documentation can be consolidated and used by Department Officers as they deem necessary. Refer to the VFW Volunteer Programs Manual for detailed information.

Important! – To qualify for awards a Post must submit an online report.
